Course Description

This course description provides a concise summary of the main characteristics of the course, and the learning outcomes expected from the student. It reflects whether the student has benefited from the available learning opportunities, and should be linked to the program description.

Educational Institution	Al-Mansour University College
Academic Department	Department of Law
Course Name / Code	Arabic Language
Attendance Format	Weekly
Year / Semester	2025 / 2026
Number of Study Hours	3 Hours
Preparation Date	11 / 2025

Course Objectives

1. To cultivate a love for the Arabic language, the language of the Holy Qur'an.
2. To familiarize students with correct vocabulary, structures, and proper linguistic styles.
3. To enable students to read correctly and use language effectively in communication.
4. To train students in correct verbal and written expression and proper punctuation use.
5. To strengthen handwriting and spelling skills.
6. To train students in conversation rules, respecting others' opinions, and overcoming shyness.

Teaching and Learning Methods

1. Interactive lectures with students.
2. Classroom participation and discussion.

Evaluation Methods

- Sudden daily quizzes.
- Written and oral examinations.
- Additional grades for students who attend actively.

Final Learning Outcomes

Upon completing this course, the student will be able to:

1. Explain the concepts of listening, speaking, reading, and writing.

2. Analyze and understand linguistic terms.
