<https://orcid.org/0000-0002-6968-9219>

Master of Electrical Engineering Specialist in Communication Engineering.
Asst. lec. at communication engineering department - In Al-Mansour University College.

EXPERIENCE

Dates 2014 – Till Now

Lecturer, Al-Mansour University College

Teach the undergraduate students

Dates 2010 - 2011

Laboratory engineering, Al-Mansour University College

Supervisor engineering for the computer programming and physical electronic circuit lab.

EDUCATION

April 2014

Master of Communication Engineering, University Tun Hussein Onn Malaysia, Malaysia.

Thesis Title (Robust Braille Recognition System Using Image Preprocessing and Feature Extraction Algorithms)

September 2009

Bachelor of Computer Engineering, University of Technology, Iraq

SKILLS

- Ability for design electrical and logical circuits.
- Ability for working on several computer languages.

PUBLICATIONS

- Robust braille recognition system using image preprocessing and feature extraction algorithms, 2014.
 - Noise Cancellation using NLMS Adaptive Filter, 2016.
-
